Director

the visionary

I envision KCMT to be an institute with a difference, on all counts like Physical Infrastructure, Intellectual Capital and the Magnitude.

"A humble social worker and visionary committed to improve upon higher education alongwith to nurture the Indian cultural, human values and spirituality among coming new generation. He is neither happy nor satisfied with his achievements as he feels that lot more yet to be done, but do not forget to give credit to almighty for his blessings. "

Swami Vivekananda Ji has said that education is the manifestation of perfection already existing in man. Through proper education the rate of growth and success becomes quicker.

We believe in value based education caring for human values and professional ethics. We know that knowledge is like money, you can never have enough. Always wanting for more and more because the more the merrier.

In KCMT we focus at Knowledge Creation, Knowledge Management and Knowledge Transfer in an effective manner. This all happens by virtue of blessings of Lord Krishna and Goddess Radha. We have been inspired to build a beautiful ISKCON Temple in Devsthali at KCMT College Road. Soon within a period of 2-3 years, this region will witness the emergence of International Gurukul Educational Institute. Well equipped GOSHALA alongwith Research Institutes and Majestic Dham of Shri Shri Radha Vrindavan Chandra Mandir.

I welcome you all at KCMT, the renowned seat of learning and wish you all a very bright future.

I am very happy to note that KCMT, established in 2001, undoubtedly has grown by leaps and bounds since its inception. It has created an impact on the education paradigm in the region. KCMT is located about 12 km. from Bareilly towards Pilibhit. It has sprawling lush green picturesque campus with modern building, lecture theater and laboratories having latest equipments and Wi-Fi facilities.

KCMT has achieved remarkable success in past 16 years. The students have brought laurels to their alma mater and have got distinction amongst successful candidates in MBA/MCA examination and BCA, B.Sc. (H.Sc.), BBA, B.Com. (Hons.) conducted by U.P. Technical University and M.J.P. Rohilkhand University, respectively. The results of other disciplines too have been 95-100%. To our great satisfaction, placement of our MBA students has been 95% and they have been offered very attractive packages. Our students have won awards/honours in co-curricular and extra-curricular activities at state and national level.

From Director B. Arch

Ar. Vivek Anand
B.Arch., M. Arch.

With an emerging global consensus on climate change, it is clear that future development of our towns and cities must be sustainable and that architects and engineers have a pivotal role to play in achieving this in practice. Sustainability issues underpin our teaching and we are fully aware of our responsibility to ensure that these challenges are addressed. We aim to empower tomorrow's professionals to create buildings and places that are appropriate for the 21st century and beyond. The programme covers all the essential subjects of Architecture, which include fundamentals of architectural design, building materials and specifications, sketching, and structural design.

The College is an elite institution with the state-of-the-art infrastructural facilities, modern laboratories and student support services coupled with dedicated and experienced faculty.
The skills and expertise imparted enrich the students and help moulding them into creative, innovative and intellectually vibrant architects of the future. Learning by doing represents a further strength of our courses; students spend time in workshops and design studios working on a wide variety of projects.

The curriculum is thus designed to encompass the core course-work covering foundation knowledge, skills and vocabulary, while upper-level study seeks a broader understanding of architecture by combining theoretical exploration with practical considerations. Field studies help students to understand human activities, behavior and the value of space inside and outside and the details to be incorporated in the design.

I feel honored to extend you a cordial welcome to this institution for higher learning.

अमर उजाला ब्यूरो

बरेली। प्रेम प्रकाश गुप्त इंस्टीट्यूट के चौथे दीक्षांत समारोह में आए सांसद वरुण गांधी ने प्रदेश सरकार पर हमला किया। उन्होंने बुंदेलखंड की बदहाली, आत्महत्या कर रहे किसानों और बेरोजगार युवाओं की समस्याएं गिनाईं। उन्होंने कहा कि उत्तर प्रदेश में अशिक्षा से भी ज्यादा कुपोषित बच्चे हैं।

सांसद वरुण गांधी के भाषण के तेवर भी काफी बदले हुए थे। उन्होंने धर्म, जाति और क्षेत्र में बांटने की राजनीति का विरोध किया। कहा, इससे देश कमजोर होता है। विचारों की राजनीति होनी चाहिए। आर्थिक असमानता को भी देश के लिए खतरा बताया। वरुण गांधी ने विजय माल्या पर भी टिप्पणी की। कहा, विजय माल्या पर बैंक का पांच हजार करोड़ रुपये बकाया है। जिन किसानों ने चूल्हे हैं और जन्मदिन मनाते रहते हैं, लेकिन बैंक के रुपये देने के लिए पैसे नहीं हैं। बुंदेलखंड में किसान आत्महत्या करते हैं, क्योंकि वो एक लाख रुपये लोन नहीं चुका पाते। धनी लोगों को लोन देते-देते बैंक डूबते जा रहे हैं। यहां पर छोटे लोगों पर कानून लागू होता है, बड़े लोगों पर नहीं। लोन माफ न करने पर इन धनी लोगों के घरों की कुर्क कुर्की होती? इन्हें कब अपमान सहन करना पड़ेगा?

उन्होंने आगे कहा, यहां पर तीन करोड़ लोग इलाज कराते-कराते कंगाल हो रहे हैं। क्या हम हर व्यक्ति को मेडिकल इंश्योरेंस नहीं दे सकते? शिक्षा की समस्याएं बताते हुए कहा कि जीडीपी का तीन फीसदी भी शिक्षा पर खर्च नहीं होता। जबकि 10 फीसदी खर्च होना चाहिए, नहीं तो देश खड्डे पर ही चलेगा, सीधी रोड पर चलने की नौबत नहीं आएगी।

मेडल पाकर उत्साह और आत्मविश्वास से खिले चेहरे

'गांधी' न होता तो सांसद न बन पाता

वरुण गांधी ने कहा, कुछ लोग तो खानदान की वजह से नफरती बन गए और कुछ सिख्खत की वजह से उस रास्ते पर चले गए। वह भी कहा, मेरे नाम के आगे 'गांधी' नहीं होता तो दो बार सांसद नहीं बनता।

ऑर्गेनिक खेती कराए सरकार

वरुण गांधी ने कहा कि नियंत्रित तरीके से ऑर्गेनिक खेती होनी चाहिए। सरकार किसानों से कहे कि वह एक-दो साल तक जुकसान खुद भरेगी। इससे बाद किसान अपनी पुरानी फसली को छोड़ेंगे तो उन्हें पैदावार भी अच्छी मिलेगी।

पीआईएल का प्रयोग करने कहा

वरुण गांधी ने अपनी उपलब्धियां, प्रदेश सरकार को घेरने के बाद ही अपनी मां के काम भी बखान किया। कहा, 79 में जब मां जीती तो जिम्मेदारियां के बोझ तले थे। मेरी मां के मंत्रालय ने जुवेनाइल कानून बनाया।

अच्छा तैराते हैं, उन्हें ओलंपिक के लिए तैयार किया जाना चाहिए। इससे उनके हुनर को भी प्लेटफार्म मिलेगा।

कहा, आजादी के इतने साल बाद भी प्रतिभा और हुनर को मौका नहीं मिल पाया। मल्लाह के बच्चे कितना बोले, मैं एक अच्छा हिंदुस्तान देखना चाहता हूं, जिसमें सबको बराबर का हक मिले।
