FROM THE EDITOR'S DESK

The vibrant KCMT campus, with its lush greenery and bustling activities, is a testament to our commitment to excellence in all areas. The academic environment at KCMT, along with its beautiful flora, epitomizes success and accomplishment. The various departments at KCMT are committed to excellence in their respective fields, and this collective dedication makes our institution truly unique. KCMT News gives a glimpse of salient curricular and co-curricular and extracurricular activities conducted during last year, it also includes some of the significant achievements of faculty members and students including training and placement conducted by corporate resource cell.

We hope that this newsletter will offer readers a comprehensive insight to the functioning of the institution. We are proud of our team & their efforts in taking KCMT to new heights, horizons, and dimensions. The editorial board is thankful to all the faculty members and students who have contributed to its publication.

Research & Development Cell

Research & Development Cell-RDC was established in the year 2021 under the competent leadership of Prof. Amresh Kumar Director General KCMT to align with the guidelines of HEI under NEP-2020. Its mission is to create a conducive environment for enhanced research productivity and facilitate learners through the latest changes and tools in academics and industry.

KCMT RDC Biotechnology Member Dr. (Mohd.) Faheem Khan, Associate Professor, Department of Biotechnology performed research work on “Recognition of Differentially Expressed Molecular Signatures and Pathways Associated with COVID”. His work was published in the International Journal of Molecular Research, MDPI, Volume 24, Issue 4 (January 2023). Recently he has identified some genes which are responsible reduction of survival rate due to viral infection in cancer patients. This research provides deep knowledge and can go a long way in developing new treatments, vaccines, and strategies for patients suffering from these diseases.

Another RDC member Dr. Nisha Dinkar Associate Professor, Department of Biotechnology performed research work on Agrobacterium Rhizogenic as Molecular tools for the withinia somenifera. Her work was published in JABB Science Scopus Listed Journal of Applied Biology & Biotechnology Vol. X(XX), pp. 1-10 Oct-2022. She has investigated the hairy root production used to increase their production through the use of new technologies to upgrade transgenic crops' hairy root culture

Senior Faculty and Department of Science Coordinator Dr. Ajay Gupta along with a team of co-investigator Dr. Ruchi Mishra, Dr. Shalini Gupta and Mr. Manoj Thakur conducted research work on the “Importance of Bioinformatics in Drug Discovery and Development Process.” It has been Published in the International Journal of all research Education and Scientific method (IJARESM)ISSN:24556211 volume 10, issue 6, June 2022 impact factor 7.429.

Collaborations & MOUs

Collaborations between academia and industry go hand in hand. Collaborations with industries give students exposure to the business world and help them build the essential skills which they'll need outside the classroom to ace interviews and compete in the real world. Keeping this in mind KCMT collaborated and signed MOU with different Industries and Institutions in the year 2022-23 to upskill and bridge the gap.

- Collaboration with Rohilkhand Management Association-RMA
- MOU with IID-Indian Industry Development for Management & Commerce Students.
- MOU with Caperton SD-AIT for CS IT Students.
- AOC-agreement of courses with SEBI-stock exchanges India for commerce Students.

Entrepreneurship & Startup Cell

KCMT Entrepreneurship & Startup Cell is an initiative of our Chairman Shri Girdhar Gopla Khandelwal & our Managing Director Dr. Vinay Khandelwal, to prepare future job providers. The cell intends to create an ecosystem for promoting Entrepreneurship and start-ups for our students. Some of our KCMT alumni have started their own startups and promoting our students to create their startups providing necessary helpful guidance for seed funds and hand-holding mentorship to sustain them.

Karizzma

2023

Star Night

The college & students witnessed the much-awaited KCMT annual fest KARIZZMA on 18 th May 2023 the Rockstar night after the pandemic. Around five thousand persons including students, alumni, parents, VIPs & VVIP guests witnessed the event and enjoyed Bollywood playback singer Sachet and Parampara Tandon the singers set the stage on fire and mesmerised the students and audience with their romantic and charismatic live performances. Comedian Raja Rancho also made the crowd hilarious with his mimicry and eventual comedy performances.

40 Leaders Under 40

We at KCMT always promote Young entrepreneurship and leadership. In order to recognise and appreciate the efforts of entrepreneurs in the GDP of the Country, we organised an event of Leaders 40 under 40 in association with RMA & Daily Insider in which 40 young entrepreneurs under the age of 40 in the Bareilly district from different fields were identified and rewarded for their sincere efforts and leadership qualities in the field of entrepreneurship. The program was a big hit in the era of startups, Innovation, and Incubation. Budding entrepreneurs MP & MLA of Bareilly Region and Eminent guests shared their real-time experiences and answered the question of the audiences.
